1.1. Heading 2

On the Insert tab, the galleries include items that are designed to coordinate with the overall look of your document. You can use these galleries to insert tables, headers, footers, lists, cover pages, and other document building blocks. When you create pictures, charts, or diagrams, they also coordinate with your current document look.

1.1.1. Heading 3

This version of the errata document details all the items that have been discovered to date, in the A01 die revision and the issues that must be addressed by Signal-around at the system level, if applicable.
