By using the SOFTWARE, you affirm that you have reached the legal age of majority, you accept the terms of this license, and you take legal and financial responsibility for the actions of your permitted users.

You agree to use the SOFTWARE only for purposes that are permitted by (a) this license, and (b) any applicable law, regulation or generally accepted practices or guidelines in the relevant jurisdictions.

2. DISTRIBUTION REQUIREMENTS. These are the distribution requirements for you to exercise the grants above:
a). An application must have material additional functionality, beyond the included portions of the SOFTWARE.

b). The following notice shall be included in modifications and derivative works of source code distributed: “This software contains source code provided by Mellanox Technologies Ltd.”

c). You agree to distribute the SOFTWARE subject to the terms at least as protective as the terms of this license, including (without limitation) terms relating to the license grant, license restrictions and protection of NVIDIA Mellanox’s intellectual property rights. Additionally, you agree that you will protect the privacy, security and legal rights of your application users.

d). You agree to notify NVIDIA Mellanox in writing of any known or suspected distribution or use of the SOFTWARE not in compliance with the requirements of this license, and to enforce the terms of your agreements with respect to the distributed portions of the SOFTWARE.

3. AUTHORIZED USERS. You may allow employees and contractors of your entity or of your subsidiary(ies) to access and use the SOFTWARE from your secure network to perform work on your behalf. If you are an academic institution you may allow users enrolled or employed by the academic institution to access and use the SOFTWARE from your secure network. You are responsible for the compliance with the terms of this license by your authorized users.

e). Unless you have an agreement with NVIDIA Mellanox for this purpose, you may not indicate that an application created with the SOFTWARE is sponsored or endorsed by NVIDIA Mellanox.

f). You may not bypass, disable, or circumvent any technical limitation, encryption, security, digital rights management or authentication mechanism in the SOFTWARE.

g). You may not replace any NVIDIA Mellanox software components in the SOFTWARE that are governed by this license with other software that implements NVIDIA Mellanox APIs.

Examples include use in avionics, navigation, military, medical, life support or other life critical applications. NVIDIA Mellanox does not design, test or manufacture the SOFTWARE for these critical uses and NVIDIA Mellanox shall not be liable to you or any third party, in whole or in part, for any claims or damages arising from such uses.
