Chapter 8. NVIDIA RTX SUPPLEMENT TO SOFTWARE LICENSE AGREEMENT FOR NVIDIA SOFTWARE DEVELOPMENT KITS.................................................................................................................. 12
Chapter 1. LICENSE.

1.1. Grant

Subject to the terms of this Agreement, NVIDIA hereby grants you a non-exclusive, non-transferable license, without the right to sublicense (except as expressly provided in this Agreement) to:

(i) Install and use the SDK,

(ii) Modify and create derivative works of sample source code delivered in the SDK, and

(iii) Distribute those portions of the SDK that are identified in this Agreement as distributable, as incorporated in object code format into a software application that meets the distribution requirements indicated in this Agreement.

1.2. Distribution Requirements

These are the distribution requirements for you to exercise the distribution grant:

(i) Your application must have material additional functionality, beyond the included portions of the SDK.

(ii) The distributable portions of the SDK shall only be accessed by your application.

(iii) The following notice shall be included in modifications and derivative works of sample source code distributed: “This software contains source code provided by NVIDIA Corporation.”

(iv) Unless a developer tool is identified in this Agreement as distributable, it is delivered for your internal use only.

(v) The terms under which you distribute your application must be consistent with the terms of this Agreement, including (without limitation) terms relating to the license grant and license restrictions and protection of NVIDIA’s intellectual property rights.
Additionally, you agree that you will protect the privacy, security and legal rights of your application users.

(vi) You agree to notify NVIDIA in writing of any known or suspected distribution or use of the SDK not in compliance with the requirements of this Agreement, and to enforce the terms of your agreements with respect to distributed SDK.

### 1.3. Authorized Users

You may allow employees and contractors of your entity or of your subsidiary(ies) to access and use the SDK from your secure network to perform work on your behalf.

If you are an academic institution you may allow users enrolled or employed by the academic institution to access and use the SDK from your secure network.

You are responsible for the compliance with the terms of this Agreement by your authorized users. If you become aware that your authorized users didn’t follow the terms of this Agreement, you agree to take reasonable steps to resolve the non-compliance and prevent new occurrences.

### 1.4. Pre-Release SDK

The SDK versions identified as alpha, beta, preview or otherwise as pre-release, may not be fully functional, may contain errors or design flaws, and may have reduced or different security, privacy, accessibility, availability, and reliability standards relative to commercial versions of NVIDIA software and materials. Use of a pre-release SDK may result in unexpected results, loss of data, project delays or other unpredictable damage or loss.

You may use a pre-release SDK at your own risk, understanding that pre-release SDKs are not intended for use in production or business-critical systems.

NVIDIA may choose not to make available a commercial version of any pre-release SDK. NVIDIA may also choose to abandon development and terminate the availability of a pre-release SDK at any time without liability.

### 1.5. Updates

NVIDIA may, at its option, make available patches, workarounds or other updates to this SDK. Unless the updates are provided with their separate governing terms, they are deemed part of the SDK licensed to you as provided in this Agreement.

You agree that the form and content of the SDK that NVIDIA provides may change without prior notice to you. While NVIDIA generally maintains compatibility between versions, NVIDIA may in some cases make changes that introduce incompatibilities in future versions of the SDK.
1.6. Third Party Licenses

The SDK may come bundled with, or otherwise include or be distributed with, third party software licensed by a NVIDIA supplier and/or open source software provided under an open source license. Use of third party software is subject to the third-party license terms, or in the absence of third party terms, the terms of this Agreement. Copyright to third party software is held by the copyright holders indicated in the third-party software or license.

1.7. Reservation of Rights

NVIDIA reserves all rights, title and interest in and to the SDK not expressly granted to you under this Agreement.
Chapter 2.
LIMITATIONS.

The following license limitations apply to your use of the SDK:

2.1
You may not reverse engineer, decompile or disassemble, or remove copyright or other proprietary notices from any portion of the SDK or copies of the SDK.

2.2
Except as expressly provided in this Agreement, you may not copy, sell, rent, sublicense, transfer, distribute, modify, or create derivative works of any portion of the SDK. For clarity, you may not distribute or sublicense the SDK as a stand-alone product.

2.3
Unless you have an agreement with NVIDIA for this purpose, you may not indicate that an application created with the SDK is sponsored or endorsed by NVIDIA.

2.4
You may not bypass, disable, or circumvent any encryption, security, digital rights management or authentication mechanism in the SDK.

2.5
You may not use the SDK in any manner that would cause it to become subject to an open source software license. As examples, licenses that require as a condition of use, modification, and/or distribution that the SDK be (i) disclosed or distributed in source code form; (ii) licensed for the purpose of making derivative works; or (iii) redistributable at no charge.
2.6

Unless you have an agreement with NVIDIA for this purpose, you may not use the SDK with any system or application where the use or failure of the system or application can reasonably be expected to threaten or result in personal injury, death, or catastrophic loss. Examples include use in nuclear, avionics, navigation, military, medical, life support or other life critical applications. NVIDIA does not design, test or manufacture the SDK for these critical uses and NVIDIA shall not be liable to you or any third party, in whole or in part, for any claims or damages arising from such uses.

2.7

2.7 You agree to defend, indemnify and hold harmless NVIDIA and its affiliates, and their respective employees, contractors, agents, officers and directors, from and against any and all claims, damages, obligations, losses, liabilities, costs or debt, fines, restitutions and expenses (including but not limited to attorney’s fees and costs incident to establishing the right of indemnification) arising out of or related to your use of the SDK outside of the scope of this Agreement, or not in compliance with its terms.
Chapter 3.
OWNERSHIP.

3.1
NVIDIA or its licensors hold all rights, title and interest in and to the SDK and its modifications and derivative works, including their respective intellectual property rights, subject to your rights under Section 3.2. This SDK may include software and materials from NVIDIA’s licensors, and these licensors are intended third party beneficiaries that may enforce this Agreement with respect to their intellectual property rights.

3.2
You hold all rights, title and interest in and to your applications and your derivative works of the sample source code delivered in the SDK, including their respective intellectual property rights, subject to NVIDIA’s rights under section 3.1.

3.3
You may, but don’t have to, provide to NVIDIA suggestions, feature requests or other feedback regarding the SDK, including possible enhancements or modifications to the SDK. For any feedback that you voluntarily provide, you hereby grant NVIDIA and its affiliates a perpetual, non-exclusive, worldwide, irrevocable license to use, reproduce, modify, license, sublicense (through multiple tiers of sublicensees), and distribute (through multiple tiers of distributors) it without the payment of any royalties or fees to you. NVIDIA will use feedback at its choice. NVIDIA is constantly looking for ways to improve its products, so you may send feedback to NVIDIA through the developer portal at https://developer.nvidia.com.
Chapter 4.
NO WARRANTIES.

THE SDK IS PROVIDED BY NVIDIA “AS IS” AND “WITH ALL FAULTS.” TO THE MAXIMUM EXTENT PERMITTED BY LAW, NVIDIA AND ITS AFFILIATES EXPRESSLY DISCLAIM ALL WARRANTIES OF ANY KIND OR NATURE, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING, BUT NOT LIMITED TO, ANY WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, NON-INFRINGEMENT, OR THE ABSENCE OF ANY DEFECTS THEREIN, WHETHER LATENT OR PATENT. NO WARRANTY IS MADE ON THE BASIS OF TRADE USAGE, COURSE OF DEALING OR COURSE OF TRADE.
Chapter 5.
LIMITATIONS OF LIABILITY.

TO THE MAXIMUM EXTENT PERMITTED BY LAW, NVIDIA AND ITS AFFILIATES SHALL NOT BE LIABLE FOR ANY SPECIAL, INCIDENTAL, PUNITIVE OR CONSEQUENTIAL DAMAGES, OR ANY LOST PROFITS, LOSS OF USE, LOSS OF DATA OR LOSS OF GOODWILL, OR THE COSTS OF PROCURING SUBSTITUTE PRODUCTS, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR THE USE OR PERFORMANCE OF THE SDK, WHETHER SUCH LIABILITY ARISES FROM ANY CLAIM BASED UPON BREACH OF CONTRACT, BREACH OF WARRANTY, TORT (INCLUDING NEGLIGENCE), PRODUCT LIABILITY OR ANY OTHER CAUSE OF ACTION OR THEORY OF LIABILITY. IN NO EVENT WILL NVIDIA’S AND ITS AFFILIATES TOTAL CUMULATIVE LIABILITY UNDER OR ARISING OUT OF THIS AGREEMENT EXCEED US$10.00. THE NATURE OF THE LIABILITY OR THE NUMBER OF CLAIMS OR SUITS SHALL NOT ENLARGE OR EXTEND THIS LIMIT.

These exclusions and limitations of liability shall apply regardless if NVIDIA or its affiliates have been advised of the possibility of such damages, and regardless of whether a remedy fails its essential purpose. These exclusions and limitations of liability form an essential basis of the bargain between the parties, and, absent any of these exclusions or limitations of liability, the provisions of this Agreement, including, without limitation, the economic terms, would be substantially different.
6.1
This Agreement will continue to apply until terminated by either you or NVIDIA as described below.

6.2
If you want to terminate this Agreement, you may do so by stopping to use the SDK.

6.3
NVIDIA may, at any time, terminate this Agreement if: (i) you fail to comply with any term of this Agreement and the non-compliance is not fixed within thirty (30) days following notice from NVIDIA (or immediately if you violate NVIDIA’s intellectual property rights); (ii) you commence or participate in any legal proceeding against NVIDIA with respect to the SDK; or (iii) NVIDIA decides to no longer provide the SDK in a country or, in NVIDIA’s sole discretion, the continued use of it is no longer commercially viable.

6.4
Upon any termination of this Agreement, you agree to promptly discontinue use of the SDK and destroy all copies in your possession or control. Your prior distributions in accordance with this Agreement are not affected by the termination of this Agreement. Upon written request, you will certify in writing that you have complied with your commitments under this section. Upon any termination of this Agreement all provisions survive except for the license grant provisions.
If you wish to assign this Agreement or your rights and obligations, including by merger, consolidation, dissolution or operation of law, contact NVIDIA to ask for permission. Any attempted assignment not approved by NVIDIA in writing shall be void and of no effect. NVIDIA may assign, delegate or transfer this Agreement and its rights and obligations, and if to a non-affiliate you will be notified.

You agree to cooperate with NVIDIA and provide reasonably requested information to verify your compliance with this Agreement.

This Agreement will be governed in all respects by the laws of the United States and of the State of Delaware as those laws are applied to contracts entered into and performed entirely within Delaware by Delaware residents, without regard to the conflicts of laws principles. The United Nations Convention on Contracts for the International Sale of Goods is specifically disclaimed. You agree to all terms of this Agreement in the English language.

The state or federal courts residing in Santa Clara County, California shall have exclusive jurisdiction over any dispute or claim arising out of this Agreement. Notwithstanding this, you agree that NVIDIA shall still be allowed to apply for injunctive remedies or an equivalent type of urgent legal relief in any jurisdiction.

If any court of competent jurisdiction determines that any provision of this Agreement is illegal, invalid or unenforceable, such provision will be construed as limited to the extent necessary to be consistent with and fully enforceable under the law and the remaining provisions will remain in full force and effect. Unless otherwise specified, remedies are cumulative.

Each party acknowledges and agrees that the other is an independent contractor in the performance of this Agreement.

The SDK has been developed entirely at private expense and is “commercial items” consisting of “commercial computer software” and “commercial computer software documentation” provided with RESTRICTED RIGHTS. Use, duplication or disclosure by the U.S. Government or a U.S. Government subcontractor is subject to the restrictions in this Agreement pursuant to DFARS 227.7202-3(a) or as set forth in subparagraphs (c)(1) and (2) of the Commercial Computer Software - Restricted Rights clause at
FAR 52.227-19, as applicable. Contractor/manufacturer is NVIDIA, 2788 San Tomas Expressway, Santa Clara, CA 95051.

The SDK is subject to United States export laws and regulations. You agree that you will not ship, transfer or export the SDK into any country, or use the SDK in any manner, prohibited by the United States Bureau of Industry and Security or economic sanctions regulations administered by the U.S. Department of Treasury’s Office of Foreign Assets Control (OFAC), or any applicable export laws, restrictions or regulations. These laws include restrictions on destinations, end users and end use. By accepting this Agreement, you confirm that you are not a resident or citizen of any country currently embargoed by the U.S. and that you are not otherwise prohibited from receiving the SDK.

Any notice delivered by NVIDIA to you under this Agreement will be delivered via mail, email or fax. You agree that any notices that NVIDIA sends you electronically will satisfy any legal communication requirements. NVIDIA RTX SUPPLEMENT TO SOFTWARE LICENSE AGREEMENT FOR NVIDIA SOFTWARE DEVELOPMENT KITS

NVIDIA RTX SUPPLEMENT TO SOFTWARE LICENSE AGREEMENT FOR NVIDIA SOFTWARE DEVELOPMENT KITS

September 18, 2018 version

The terms in this supplement govern your use of the NVIDIA RTX SDK under the terms of your license agreement ("Agreement") as modified by this supplement. Capitalized terms used but not defined below have the meaning assigned to them in the Agreement.

This supplement is an exhibit to the Agreement and is incorporated as an integral part of the Agreement. In the event of conflict between the terms in this supplement and the terms in the Agreement, the terms in this supplement govern.

1. Interoperability.

Your applications that incorporate, or are based on, the SDK must be fully interoperable with GPU hardware products designed by NVIDIA or its affiliates.

2. Limitations.

Your applications that incorporate, or are based on, the SDK may be deployed in a cloud service that runs on systems that consume NVIDIA vGPU software, and any other cloud service use of the SDK or its functionality is outside of the scope of the Agreement. For the purpose of this section, cloud services include application service providers or service bureaus, operators of hosted/virtual system environments, or hosting, time sharing or providing any other type of service to others.
3. Distribution.

The following portions of the SDK are distributable under the Agreement in applications developed for authorized platforms only, as described in the documentation provided by NVIDIA: any software or materials within the SDK, other than developer tools provided for your internal use.

You are required to notify NVIDIA prior to commercial release of an application (including a plug-in to a commercial application). Please send notifications to: https://developer.nvidia.com/sw-notification and provide the following information in the email: company name, publisher and developer name, application name, platform (i.e. PC, Linux), scheduled ship date, and webLink to product/video.

5. Audio and Video Encoders and Decoders.

You acknowledge and agree that it is your sole responsibility to obtain any additional third-party licenses required to make, have made, use, have used, sell, import, and offer for sale your products or services that include or incorporate any third-party software and content relating to audio and/or video encoders and decoders from, including but not limited to, Microsoft, Thomson, Fraunhofer IIS, Sisvel S.p.A., MPEG-LA, and Coding Technologies. NVIDIA does not grant to you under this Agreement any necessary patent or other rights with respect to any audio and/or video encoders and decoders.

6.1 Marketing Activities. Your license to the SDK under the Agreement is subject to your compliance with the following marketing terms:

(a) Identification by You. During the term of the Agreement, NVIDIA agrees that you may identify NVIDIA on your websites, printed collateral, trade-show displays and other retail packaging materials, as the supplier of the NVIDIA RTX SDK for the applications that were developed with use of the SDK, provided that all such references to NVIDIA will be subject to NVIDIA’s prior review and written approval, which will not be unreasonably withheld or delayed.

(b) NVIDIA Trademark Placement in Applications. For applications that incorporate the NVIDIA RTX SDK or portions thereof, you must attribute the use of the RTX SDK by including the NVIDIA Marks on splash screens, in the about box of the application (if present), and in credits for game applications.

(c) Marketing and Promotion by You. You will include a reference to the NVIDIA RTX SDK and NVIDIA in all of your press releases for the applications that were developed with use of the SDK, and you will identify NVIDIA as the provider of “NVIDIA RTX™” (or such other term or phrase as indicated by NVIDIA from time to time).
(d) Identification by NVIDIA. You agree that NVIDIA may identify you on NVIDIA’s websites, printed collateral, trade-show displays, and other retail packaging materials as an individual or entity that produces products and services which incorporate the NVIDIA RTX SDK. To the extent that you provide NVIDIA with input or usage requests with regard to the use of your logo or materials, NVIDIA will use commercially reasonable efforts to comply with such requests. For the avoidance of doubt, NVIDIA’s rights pursuant to this section shall survive any expiration or termination of the Agreement with respect to existing applications which incorporate the NVIDIA RTX SDK.

(e) Applications Marketing Material. You may provide NVIDIA with screenshots, imagery, and video footage of applications representative of your use of the NVIDIA RTX SDKs in your application (collectively, “Assets”). You hereby grant to NVIDIA the right to create and display self-promotional demo materials using the Assets, and after release of the application to the public to distribute, sub-license, and use the Assets to promote and market the NVIDIA RTX SDK. To the extent you provide NVIDIA with input or usage requests with regard to the use of your logo or materials, NVIDIA will use commercially reasonable efforts to comply with such requests. For the avoidance of doubt, NVIDIA’s rights pursuant to this section shall survive any termination of the Agreement with respect to applications which incorporate the NVIDIA RTX SDK.

6.2 Trademark Ownership and Licenses. Trademarks are owned and licenses as follows:

(a) Ownership of Trademarks. Each party owns the trademarks, logos, and trade names (collectively "Marks") for their respective products or services, including without limitation in applications, and the NVIDIA RTX SDK. Each party agrees to use the Marks of the other only as permitted in this exhibit.

(b) Trademark License to NVIDIA. You grant to NVIDIA a non-exclusive, non-sub licensable, non-transferable (except as set forth in the assignment provision of the Agreement), worldwide license to refer to you and your applications, and to use your Marks on NVIDIA’s marketing materials and on NVIDIA’s website (subject to any reasonable conditions of you) solely for NVIDIA’s marketing activities set forth in this exhibit Sections (d)-(e) above. NVIDIA will follow your specifications for your Marks as to style, color, and typeface as reasonably provided to NVIDIA.

(c) Trademark License to You. NVIDIA grants to you a non-exclusive, non-sub licensable, non-transferable (except as set forth in the assignment provision of the Agreement), worldwide license, subject to the terms of this exhibit and the Agreement, to use NVIDIA RTX™, NVIDIA GeForce RTX™ in combination with GeForce products, and/or NVIDIA Quadro RTX™ in combination with Quadro products (collectively, the “NVIDIA Marks”) on your marketing materials and on your website (subject to any reasonable conditions of NVIDIA) solely for your marketing activities set forth in this exhibit Sections 6.1 (a)-(c) above. For the avoidance of doubt, you will not and will not permit others to use any NVIDIA Mark for any other goods or services, or in a way that tarnishes, degrades, disparages or reflects adversely any of the NVIDIA Marks or NVIDIA’s business or reputation, or that dilutes or otherwise harms the
value, reputation or distinctiveness of or NVIDIA’s goodwill in any NVIDIA Mark. In addition to the termination rights set forth in the Agreement, NVIDIA may terminate this trademark license at any time upon written notice to you. You will follow NVIDIA’s use guidelines and specifications for NVIDIA’s Marks as to style, color and typeface as provided in NVIDIA Marks and submit a sample of each proposed use of NVIDIA’s Marks at least one (1) weeks prior to the desired implementation of such use to obtain NVIDIA’s prior written approval (which approval will not be unreasonably withheld or delayed). If NVIDIA does not respond within ten (10) business days of your submission of such sample, the sample will be deemed unapproved. All goodwill associated with use of NVIDIA Marks will inure to the sole benefit of NVIDIA.

6.3 Use Guidelines. Use of the NVIDIA Marks is subject to the following guidelines:

(a) Business Practices. You covenant that you will: (a) conduct business with respect to NVIDIA’s products in a manner that reflects favorably at all times on the good name, goodwill and reputation of such products; (b) avoid deceptive, misleading or unethical practices that are detrimental to NVIDIA, its customers, or end users; (c) make no false or misleading representations with regard to NVIDIA or its products; and (d) not publish or employ or cooperate in the publication or employment of any misleading or deceptive advertising or promotional materials.

(b) No Combination Marks or Similar Marks. You agree not to (a) combine NVIDIA Marks with any other content without NVIDIA’s prior written approval, or (b) use any other trademark, trade name, or other designation of source which creates a likelihood of confusion with NVIDIA Marks.

(c) No Harm to Marks. You agree that you will take such steps as are reasonably necessary to ensure that neither you, nor any person under your control (including your customers), will take or cause to be taken any action that brings NVIDIA or NVIDIA Marks into disrepute. You agree that you will not, directly or indirectly, in any country or governing body, apply to register in your own name, or otherwise attempt to acquire any legal interest in or right in or to, any NVIDIA Mark.

7. Licensing.

If the distribution terms in this Agreement are not suitable for your organization, if you want to engage with NVIDIA for marketing of your applications, or for any questions regarding this Agreement, please contact NVIDIA at nvidia-rtx-license-questions@nvidia.com.
